# From The Bench....

Hello and welcome back to the 'Thunderdome' for tonight's match with the Haringey Racers. It will be our third match of the season against the London club and we would like to welcome the players and fans to Milton Keynes.

It has been a hard and interesting week in practice gearing up for our two games this weekend, as both games will be such a contrast in style. Tonight's match against the Racers will feature quite a few of our younger talents playing on the largest ice surface in the ENPL. Whilst tomorrow night we will be travelling down to the 'Island' to play the Isle of Wight Raiders on an ice rink half the size of ours. Games often resemble a cross between ping-pong and pin-ball but it is always a great trip for the fans and we hope to see many of you down there with us as we look to secure the points.

Last weekend was a bit of a disappointment. We battled very hard on Saturday against IOW and came back from two goals to win 8-4 in a thrilling game. Then on Sunday, our offence sputtered for the first time this year as we came up against a very hot goalie in Romford. We outshot Romford two to one and played some very sensible 'on the road' hockey yet we could not find the back of the net.

Unfortunately, at 1-1 with only two minutes to play, we found ourselves in a position where one lucky bounce would either win or cost us the game. Last Sunday it cost us.....  
Onwards and upwards....

Enjoy tonight's match, and once again, lets keep the 'Thunderdome' loud and undefeated.

Nick Poole.

# THE ARENA

## Game Officials

The referee controls the game. He calls all the penalties and must decide the legality of goals, though sometimes he will call time and ask his linesmen for an opinion before he makes the final decision. The duty of the linesmen is to determine offside and icing. They drop the puck for face offs. They chase the puck after stoppage of play.

## Object of the Game

The object is to score goals by putting the puck in the other team's goal whilst making sure that the other team don't do the same to you. Players can hit it in with a stick or deflect it off another player including the goalie.

## Rules of the Game

There are only **two** basic rules in ice hockey:

**Off Side:** When an attacking player crosses the defending team's blue line before the puck he is Off Side. Play is halted and a face-off is held on the nearest spot in the neutral zone.

**Icing:** If a defending player shoots the puck from his own half past the opposing team's goal line and the puck is next touched by an opposing player, icing is called. Play is halted and the puck is returned to the place where the pass originated.

## Duration

The senior game consists of three periods of twenty minutes each. The clock stops with the action.

## Scoring

A goal is legal if all of the puck crosses all of the goal-line.

EXCEPTIONS ARE:-

It's not legal however if there is an attacking player in the goal crease who is currently not held by a defender whilst his team mates score.

It is legal to score by kicking providing the puck is deflected off a defenders stick before entering the goal.

No more than two assists can be credited on any goal and these go to the players who handle the puck immediately preceding the goal.

# entering the Thunderdome tonight Haringey Racers

Racers return to the thunderdome for their second visit of the season. Last time out, they were sent back to north London, having been demolished 11-1. Only the heroics between the pipes from Racer's Wills kept the score down as he faced a massive sixty shots, deserving his MoM award.

## Racers History

Haringey Arena was built in 1936 and was the finest ice rink in Britain. It held 11,000 people in armchair seats, with perfect sighting all round and plenty of facilities. Two top ice hockey teams played out of this rink, The Racers and The Greyhounds, taking their names from the speedway and greyhound racing which took place in the adjacent Stadium.

Percy Nicklin was engaged to run the teams. He had twice won the Canadian Championship with Moncton Hawks and had taken the Olympic, World and European Championships for Great Britain. His successes and his reputation brought to Haringey some of the finest players in the world. Amongst them were defensemen Len Burrage and Bob Whitelaw, Racers' regular "blue-liners", and starry forwards Walter 'The Fox' Monson of Winnipeg Monarchs fame, and Bert Peer, probably the greatest winger ever to play in England.

For 22 years the Racers remained an internationally known name in ice hockey. They defeated the might of Russia and Canada. They were English National League Champions in 1937-38 and 1948-49, British National League Champions in 1954-55, English Autumn Cup Winners in 1947-48, 1949-50 and 1952-53, and British Autumn Cup Winners in 1954-55.

## u10s vs. Coventry

Coventry u10's 3 Milton Keynes u10's 2

This was by far MK's best performance to date. MK took the gameto Coventry from the first face off, with all three lines working very hard to get the break, and it finally came midway through the first period with a solo goal from Aiden Hicks. Coventry fought back, as they searched for their first goal, but they came up against an in form keeper in MoM Kurtis Randall.

MK kept the pressure up and got a lucky second goal just before the break through Ross Tippet, whose pass was deflected into the Coventry net. Again, Coventry tried to find a way through, but MK held firm.

The second period, saw Coventry up the pressure, which finally told as they pulled a goal back. The same player completed his hat-trick to edge the home side in front. This player started playing double-shifts, between line two and three, as Coventry exploited the rules, he scored against the less experienced line, ultimately giving Coventry a disputed victory.

MK never gave up, and almost got the equaliser they deserved in the last few minutes, but it was not to be. The final score did not do justice to the effort from the MK boys!!

## u12 Southern A League - Saturday 19th October

Milton Keynes vs. Romford

Romford are strong contenders for the A league title this year, and arrived at Planet Ice with a 100% record. Icing only two full lines, and packed with experienced u13 conference players, they were always going to prove a handful for Milton Keynes' younger and less experienced players. As a consequence this MK defeat surprised nobody, but the manner of Romford's victory, and their excessively physical approach to the game left them with few admirers.

The match started evenly with Milton Keynes keeping the bulk of the possession, but it soon become clear that Romford have a potent offensive line, and only solid netminding and frantic MK defence kept them at bay. As ever Milton Keynes tried to take the game to the opposition, but over-enthusiasm and an unfortunate defensive slip allowed Romford captain Murnane to take the lead 05:33. Milton Keynes fought back bravely, and exerted good offensive pressure. But Romford, and particularly Murnane, always looked threatening in attack, and it was he who scored Romford's second goal 08:04 unassisted. The remainder of the period was a mixture of spirited MK attack, and somewhat reckless defensive work. Romford's scrappy third goal 14:26 was no masterpiece, but came as little surprise with Milton Keynes consistently failing to clear their lines.

Milton Keynes started the second period with great energy, and all lines threatened the Romford net, but just as it looked as though they may be forcing themselves back into the game, confusion in front of the net led to consecutive Romford goals 21:54 & 22:27. At this point many teams would have let their heads drop, but the remainder of the period was dominated by the home team and only muscular Romford defensive work stopped MK finding the net. Unfortunately the confrontational nature of this period of play led to the dismissal of MK's Josh Burgess, and MK had to battle for the final minutes of the period short-handed. Unsurprisingly they responded with some of their best attacking moments of the match.

The final period was marred by an ugly incident resulting in the dismissal of Romford's Restarick with a match ban, and a precautionary trip to hospital for his victim, Jacob Heron. Undeterred Milton Keynes continued with their usual positive approach, and although Romford dominated throughout they were only able to score once more, again Murnan showing his pace and skill to score an exceptional short-handed goal. MK gave considerable ice time to both their second and third lines against a Romford first line hungry for goals. Showing great enthusiasm, and a sensational netminding display by Jake Wilmott-Scriven with eighteen consecutive saves, MK were able to leave the ice with their heads held high.

In balance this was a game that Milton Keynes were unlikely to win. There is no doubt that Romford have the experience and skill to win this league, but it will be no advert for junior hockey if they do. Milton Keynes will do well to consign this unpleasant contest to the past, and look forward to a more engaging contest at Invicta next weekend.

Final Score: Milton Keynes 0 Romford 6

## ENHL South – Saturday 19th October

Bracknell Hornets (1) v (7) MK Thunder

Period Scores: 0-2, 1-4, 0-1

SoG: On Bracknell's Dan Green – 23 & Charlie May - 8

On MK Thunder's Mark Woolf – 17 & Matt Woollard – 5

Scorers: Bracknell Hornets: Glen West 1+0, James Cameron 0+1

MK Thunder: Mark Conway 2+1, Aram Todd 1+1, Lee Featherstone 1+1,

Keiron Goody 1+1, Ross Bowers 1+1, Paul Jamieson 1+0, Jim Ryan 0+1,

Daniel Cram 0+1

MK Thunder moved from second to last to second from top of the ENHL Southern league table on Saturday when they pulled off a resounding road win over Bracknell Hornets at the John Nike Centre. Thunder went into the game with a very definite plan to pressurise Hornets from the face-off and iced four forward lines to accomplish this backed up by just five defencemen. From the first whistle Thunder played according to the plan with aggressive fore-checking and determined skating to chase the puck down in the opposition's defensive zone. It was the under 19 line of Cram, Conway and Bowers who had the task of getting Thunder on the score sheet first and they came up with the goods in the fifth minute whilst on a powerplay, Conway setting up the move and Cram supplying the pass cross the goal for Bowers to slot home. The same line added the second midway through the first period this time Conway netting the goal assisted by Bowers and Featherstone. 2-0 up at the end of the first and everything was going according to plan with Thunder producing their best hockey of the season so far and they continued into the second period when with only one minute gone an unassisted Aram Todd goal extended the lead to 3-0. Other than a slight hiccup at 24:00 when Bracknell scored a shorthanded goal on a breakaway, Thunder were always in total control of the game keeping Hornets pinned in their defensive zone for long periods. Paul Jamieson restored the three goal lead at 25:40 and less than a minute later Lee Featherstone added the fifth firing home a Keiron Goody pass on a powerplay. Mark Conway scored his second of the evening just before the period break to extend the lead to 6-1 at the break.

The final period saw Thunder back off slightly, as they cruised to an resounding win. Keiron Goody fired home their seventh goal from a narrow angle and comfortably in control Thunder were able to chase netminders for the final ten minutes, Matt Woollard replacing the impressive Mark Woolf between the pipes.

This was probably the best sixty minutes performance by Thunder since they were formed last season and was tactically perfect against a tough team on the road.

# Match Report..... Match Report.....

## Lightning v IOW Raiders Saturday 19th October

Clarke 3+2, Skinnari 2+1, Poole 0+3, Howard & Campbell 1+1,  
 Jamieson 0+2, Owen 1+0, Hollyhead & Randall, 0+1  
 Nets: Hollyhead 33/4 (87.88%)

Lightning demonstrated that they can fight back when they are down as they eventually saw off their Isle of Wight visitors after being given an early scare on Saturday.

With netminder Andy Moffat performing heroics, backed up by some very tight defending, the Isle of Wight hit two goals on the counter attack. This put Lightning behind at the first break for the first time this season at the Thunderdome.

Both goals came from Canadian import David Kozier who shot to the right of Barry Hollyhead after 4mins 32 secs and then made it two in the 15th minute.

For the second goal Kozier broke away, Hollyhead came out of his goal, made the fatal mistake of hesitating and saw the Raiders man round him to shoot into an empty net.

Lightning began to get back on track within two minutes of the restart as Leigh Jamieson put a shot in only to see it come back out to Dean Campbell who planted it in the back of the net.

When Raiders got their third on 30mins 40secs it was against the run of play, Tony Blaize the scorer. Lightning's real revival, goalwise, came when Gary Clarke smashed in a pass from Nick Poole in the 31st minute.

Less than five minutes later Simon Howard fired a bullet from the blueline past a sea of players to level the game at the end of the second period.

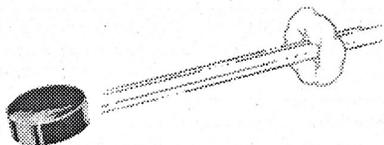

Lightning went ahead when Mikko Skinnari unleashed a shot which came back off the boards behind the goal for Clarke to notch his second with just 1min 25secs gone in the third period. Just over two minutes later Skinnari got on the scoresheet when he broke away to beat Moffat and slotted in.

Thereafter followed a tense 10 minutes – two goal leads in hockey not being secure – before Greg Owen effectively wrapped things up with Lightning's sixth.

However it was not all over as Brad Kenny hit a fourth for Raiders with less than four minutes remaining.

Victory was assured as Clarke completed yet another hat-trick with a one on one goal at 58mins 7secs. And just to make sure Skinnari was on the mark again with 18secs to the buzzer to cap a great fightback by the hosts.

## Match Report..... Match Report.....

### Romford Raiders v Lightning Sunday 20th October

Owen 1+0,Randall 0+1,Newman 0+1

Nets: Hollyhead 33/2 (93.94%)

Lightning foiled by the raiders again.....

The Lightning lost for the second time this season to Romford in a game, which can only be described as one of missed chances. The Lightning opened the game with a solid tight defensive performance killing an early powerplay and giving the home team very little opportunities. The Lightning's hard work paid off as the deadlock was broken at 14:57 by smooth finish from Greg Owen after a great play by Greg Randall to open up the Raiders defence. The Lightning then attempted to stretch their lead on the powerplay, however could not find a path through the Raiders netminder as Mykannen served two minutes for tripping.

The second period saw the Raiders strike early, as the Lightning were caught with too many players out of their defensive zone and an unlucky Barry Hollyhead saw the puck barely trickle over the goal line. The Lightning then had two powerplay opportunities including a five on three, however showed no conviction and could not capitalise on either. The remainder of the period was dominated by Lightning, having several great scoring chances and finally out-shot the home team 25-9.

The third period began again with the Lightning pushing forward for the winning goal and another powerplay opportunity came and went for the Lightning without success. The final five minutes saw an end to end battle of missed chances, blocked shots and frantic defending however it was the Raiders who struck from a deflected shot through Samuli Mykannen. The Lightning then pulled their netminder Hollyhead for an additional forward in a vain attempt to equalise however again could not break the Romford's defensive wall.

Head coach Nick Poole simply emphasised that to win on the road you need to score goals especially when you outshoot your opponent so heavily.

# Milton Keynes Ice Hockey Supporters Club News

A very warm welcome is extended to the Haringey Racers and their travelling fans. Enjoy the match and we wish you a safe journey home afterwards. Children under the age of 16 are not allowed to remain in the Licensed bar after 9.30pm. The family room is available after that time, access is through the door leading into A block. All children under the age of 12 must be supervised by an adult please.

Supporters Club Committee for this year are: Pat Corrigan, Debbie Marshall, Allyson Jones, Melanie Chandler, Roy Warlow and Simon Hunter. Any time you wish to contact us you may do so at the Supporters Club stand, we are always available to you.

**SHIRT OFF HIS BACK.** Tickets are available from our seller going around the rink, or at the Club stand. The draw will be made after the second interval by a young fan and presented by the player at the conclusion of the match. THIS WEEK THE DRAW WILL BE FOR A VERY POPULAR SHIRT SO GET AS MANY TICKETS AS YOU CAN FOR A CHANCE TO WIN IT. The whole of the income from this draw goes directly to the team so your contribution is very important. Last weeks Winner, Roy Claringbold was presented with the shirt by Greg Randall, thank you for your support.

**50 / 50 DRAW.** The sellers will be at the top of the concourse, and in the reception area before the game starts. They will be around the rink and also at the Club stand during the match. A young fan will be asked to make the draw at the beginning of the third period and the winner should come to the stand to collect their prize. 50% of the take goes in prize money and 50% goes to the club to support the team. Last weeks winner, Audrey Lyford collected the £95 prize. This was an additional birthday present as it was Audrey's birthday on Saturday. Hope that it made your birthday more enjoyable, thank you for your support. We are aiming for £125 this week, so keep on buying those tickets everyone.

**SUPPORTERS CLUB MEMBERSHIP** If you have not already done so, collect your membership card and personalised LIGHTNING key ring from the club stand tonight. Those of you who are waiting for your key rings, they are now in. There are many benefits to joining, priority entry to all social events, special rates to travel on the coach, discounts on some of the merchandise, 5% discount on your LIGHTNING shirt, and special social events with the players and management. The decision was taken at the last full committee meeting to make the Milton Keynes General Hospital S.C.B.U. (Special Care Baby Unit) our nominated charity this year. We shall be having special fund raising events for them during the season. As many of you will be aware, it often has to send very ill babies to other hospitals due to a shortage of funds and we want to give our help from the Supporters and team, so please keep your eyes on this space for the details. We will also have information of the Club stand on match nights.

**SOCIAL SCENE.** A bowling evening will be held at Xscape in November, Dr Phil's Quiz night on 22nd December, and the Christmas / New Year Party on Monday 30th December to round the year off.

**BUS BUSINESS.** The coach to the Isle of Wight departs at 11.30am tomorrow, cost £25.00 each, which includes the travel to and from MK, the ferry crossing and coach to the rink on the Island. We can also arrange tickets if required. We are now taking names etc for the weekend trip to the Isle of Wight on 4th January when we shall be staying over and coming back on Sunday. There are 36 seats booked already so to avoid disappointment come and book your place now. The hotel is booked for bed and breakfast, and is just 5 minutes walk from the rink. Accurate costs will be available early next month but should be well within our original estimate of £75.00 -£80.00 per Supporters Club member. The cost to non members will be approximately £10.00 extra. This is based on 40 seats being taken and estimating the cost of the ferry. If we have more bookings then the cost will go down on a pro rata basis. It includes bed and breakfast, travel from MK to Isle of Wight and return to MK, and match ticket at the IOW. We can arrange for match night tickets for the Sunday game at Planet Ice CMK if you so wish but must have numbers before Christmas.

**PLAYER OF THE MONTH TROPHY.** The Supporters Club trophy will be voted on each month by members and the presentation will be made at the first home game of the following month. Once again the sponsor of these beautiful and individual trophies is RCM Partitions - Bob & Debbie Marshall. Bob and Debbie are long time supporters of Hockey in MK and our thanks go to them for their sponsorship. The forms for October are now available and should be completed by the end of the evening as we have no more home games before the end of the month..

[www.icehockeyleague.co.uk](http://www.icehockeyleague.co.uk)

**MERCHANDISE MALL.** Everyone who has shirts ordered during September should be ready for collection today (Dependant on the suppliers as usual). Orders taken in August are now ready for collection, so please come to the Club stand ASAP. As we only order once a month, if you need any in time for Christmas they will have to be placed by the end of October. Place your order early for Christmas to avoid disappointment. We will have Lightning socks available shortly, but they are limited in number. We will be able to offer the GO MK logo for the shirts already purchased within the next three weeks. As soon as we have the go ahead with the design, we will make the announcement on the club stand. It will take approx 5 - 6 days to get them heat sealed on, so shirts left on the Saturday will be ready for the following Saturday. Price will be available shortly.
