From The Bench....

Hello and welcome back to the 'Thunderdome' for tonight's match with the Nottingham Lions. With a bit of luck you will be seeing the team in its entirety for the first time tonight. If number 55 Simon Howard does skate out on to the ice (50/50 at time of writing) be sure to give him a warm reception as he has been instrumental in putting this team together.

Well so far this season the order of the night has been end to end entertainment. I feel we have been deserving of our victories but we have been a bit too cavalier in our will to attack. So tonight, whilst we promise to entertain, we will be concentrating on tightening up the ship at the back.

Tonight we will also look for some more fine performances from some of the Lightning 'young guns'. I was particularly impressed with Mark Conway last Sunday whom I thought was outstanding. Mark an u19 in the MK Junior programme, has been a regular in the England and GB setups and has a very bright future in the British game.

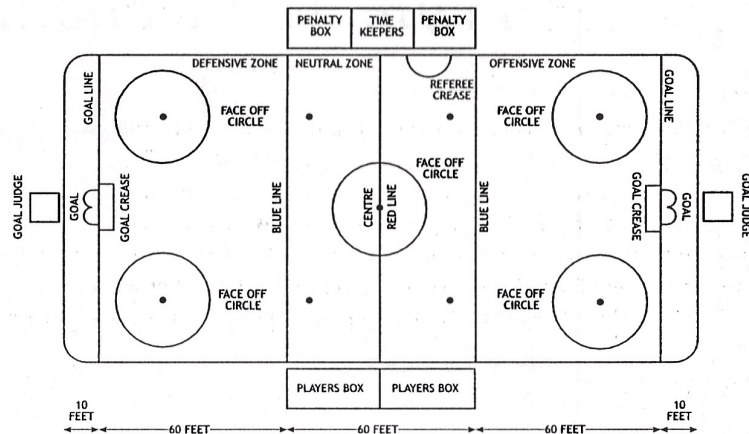

To all you fans new and old, enjoy the game, make some noise and lets get ready to raise the roof on the 'Thunderdome'.

THE ARENA

Game Officials

The referee controls the game. He calls all the penalties and must decide the legality of goals, though sometimes he will call time and ask his linesmen for an opinion before he makes the final decision. The duty of the linesmen is to determine offside and icing. They drop the puck for face offs. They chase the puck after stoppage of play.

Object of the Game

The object is to score goals by putting the puck in the other team's goal whilst making sure that the other team don't do the same to you. Players can hit it in with a stick or deflect it off another player including the goalie.

Rules of the Game

There are only **two** basic rules in ice hockey:

Off Side: When an attacking player crosses the defending team's blue line before the puck he is Off Side. Play is halted and a face-off is held on the nearest spot in the neutral zone.

Icing: If a defending player shoots the puck from his own half past the opposing team's goal line and the puck is next touched by an opposing player, icing is called. Play is halted and the puck is returned to the place where the pass originated.

Duration

The senior game consists of three periods of twenty minutes each. The clock stops with the action.

Scoring

A goal is legal if all of the puck crosses all of the goal-line.

EXCEPTIONS ARE:-

It's not legal however if there is an attacking player in the goal crease who is currently not held by a defender whilst his team mates score.

It is legal to score by kicking providing the puck is deflected off a defenders stick before entering the goal.

No more than two assists can be credited on any goal and these go to the players who handle the puck immediately preceding the goal.

entering the Thunderdome tonight Nottingham Lions

This is the Nottingham Lions' third season in the English National Premier League. As with the previous two seasons the Lions are going with a squad of totally British players, and with coach Matt Bradbury at the helm the young players are gaining a lot of experience. This summer has seen the Lions Adam Radmall step up to the British National League with Coventry Blaze, and past players Marc Levers and Paul Moran are also playing at the higher level. The aim of the Lions this year will be to gain a playoff place as they did last season.

Lions rising stars;

Stefan Dodwell #15 Forward

New Lions captain, a player with a great shot and a good turn of speed. A leader both on & off the ice, Dodwell was top scorer last season and the Lions will be looking to him to repeat that this season.

Last seasons stats: (GP) 31 19+10=29 16 PIM

Lee Mercer #16 Forward

Former Fife Flyer, an excellent face-off taker who joined Nottingham mid-way through last season in his first season back after a break from the game. The Lions' top penalty taker last season and he will be looking to reduce the amount of time he spends in the bin this season.

Last seasons stats: (GP) 25 4+2=6 165 PIM

Adam White #30 Netminder

Adam Faced 1182 shots last season, always gives 100% not only when he's on the ice, but also when he's on the bench. Joined the Lions from Haringey mid-way through the 2000-01 season. Travels from Haringey for training and games - will be relieved when he starts at University in the Midlands this October! Last seasons stats: (GP) 29 Time in: 1545.05 GA:167 Shots:1182 Save % 85.87 GAAv 6.49 Including (1 shutout)

Chris McEwen #3 Defence

The latest addition to the Lions squad, made his debut last weekend on the Isle of Wight. Joins from Slough Jets, and will be at University in Nottingham. A solid defenceman, who can move the puck forward. Lions are yet to see the best from Chris, but that will come when he settles into the side.

Junior News

u14 Southern B League (South West Conference) 7th & 8th September

Saturday saw the u14s begin this year's league campaign with a convincing 13-0 victory over the Swindon B team at the Thunderdome. Despite one or two early panics, once in their stride, the MK side proved to be a formidable opponent. All three lines took their chances and despite some solid work from a battered Swindon defence, MK came away from the game as easy victors. The team put out a clear message that by concentrating on a passing and positional game, they were going to be difficult to beat. Eleven players scored points in the game with goals from Jamie Line (4+2), Stuart Barrow (2+2), Daniel Harris (2+2), Matthew Jackson (2+1), Thomas Castle (1+0), Lewis Randle (1+0), Daniel Chaplen (1+0), Ben Branch (0+1), David Coffey (0+1), Jamie Cox (0+1), Josh Burgess (0+1), Jack Symonds (0+1).

After a successful finish on Saturday, the game on Sunday at Oxford began with a shaky start, with three early goals from Oxford providing an effective wake-up call with the team struggling to end the first session at three apiece. Some quick regrouping in the interval saw the team back to the form that had been so effective the previous day and once again, good team work saw the side ease ahead with seven more goals to only one more against by the final buzzer giving a creditable 10-4 win. Goals this time from captain Stuart Barrow (5+1), Jamie Line (3+2), Daniel Harris (1+1), Thomas Castle (1+1), Josh Burgess (0+1) and David Coffey (0+3) ensured the win.

All in all, a highly successful weekend for the team. They played well together, worked hard, stuck to their game plan, listened to their coaches and were a credit to the club. They have laid a solid foundation for the season and if the weekend's form is an indication of what's to come, they will be a force to be reckoned with.

u16s Southern A League Sunday September 8th

Sunday saw the first league game of this season's campaign against Slough. With a side which had lost several of our more experienced players to the under 19's squad, we always knew this season would not be an easy ride.

Slough netted two early goals in the first period, but strong play from Tomas Ledgard led to our only goal scored by Thomas Hurley. Unfortunately we then conceded a further three goals in the second period, having failed to take our own chances.

The third period saw us taking a couple of penalties which enabled Slough to slot home another three goals without reply.

On a positive note, our young under 14 players showed great determination and put in an excellent performance, and the final score did not reflect the teams effort.

Next weekend sees us on the road to Cardiff and you can be sure that we will be playing right up to the final buzzer.

Spirit of the Game was given to Matt Halford and Man of the Match was Tomas Ledgard.

Thomas Hurley (1+0), Tomas Ledgard (0+1).

HOCKEY IS A FAMILY SPORT !

This is what we claim, and here in MK it is true, we have many families with young children who come regularly to our games and we want to encourage more to come.

Please remember this in the heat of the game, I know referee decisions sometimes don't go our way, opposition fans are chanting etc, however, we must not resort to bad language and abuse either of players, fans or officials.

This is a matter of great concern for us as we have had several complaints.

We will eject anyone from the game if they cannot control themselves - this is to protect the interest of the majority of our fans and the good name of the MK Lightning.

If anyone wishes to report any such incidences please inform any Lightning official by the merchandise stand or Planet Ice reception and we will deal with it.

Lightning riding high.....

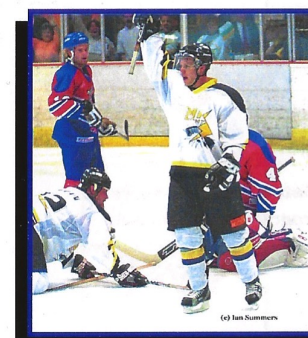

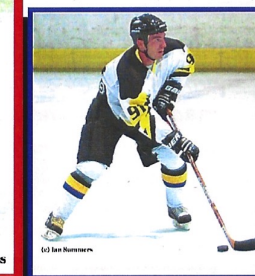

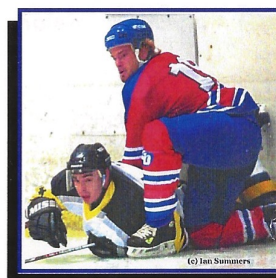

Following an unbeaten first weekend, the MK Lightning went one step further to claim maximum points from week two. After being held to a draw by Romford last Saturday, the Lightning were eager to record their first victory at the Thunderdome, as they took on the Chelmsford Chieftains, who had coincidentally beaten Romford the previous Sunday.

The fans had to wait until midway through the first period before 3 goals in the space of 3 minutes sent Lightning on their way. The first two came on a powerplay and were both claimed by Greg Owen. Captain Dwayne Newman then gave the first part of his Man of the Match performance by adding the third. Chelmsford had pulled it back after the break when Kyle Amyotte cut the difference to 1 goal. The Lightning then proved their ability, as they have on a number of occasions this season, to lift the play a notch when needed and they did just that as they blew Chelmsford away with 3 goals in less than 2 minutes answered by only one from Chelmsford. The goals came from Greg Randall and Nick Poole (2).

However, the never- say- die attitude of teams in the EPL means that Lightning must tighten up the defence, as running up a lead hasn't seemed to kill the opposition off. Chelmsford were the perfect example as they scored 2 quick goals at the beginning of the 3rd period. The Lightning's cause was not helped by the ejection of two-experienced defensemen in Dwayne Newman and Michael Knights. Newman received 5 minutes plus game for fighting, while Knights was given a 10-minute misconduct for arguing with an official. Goals from Mikko Skinnari and Gary Clarke restored a 3 goal lead but 2 more from Chelmsford in the final minutes gave the Lightning a late scare.

Coach Nick Poole's defensive problems were given a major boost by the news that defenders Simon Howard and Leigh Jamieson should be fit to return this coming weekend, as they recover from a gashed leg and broken wrist respectively. Poole said however, "Due to the current injuries, our defensive staff has been cut in half, so it is up to the forwards to take up the slack. Good defence is played at both ends of the ice".

..... electric storm at Alexandra Palace.

Lightning won their third game in a row on Sunday against a Haringey side who have already played well above their expectations this season. The North London team that has reverted back to their nostalgic name of the Racers gave the league's leaders a tougher than expected battle.

Haringey took an early shock lead however the Lightning fought back with goals from Nick Poole(PP), Gary Clarke(PP) and Mark Krater.

Racers though showed their own fighting spirit as the Lightning sat back and let the home team pull back two goals and go into the first period break level.

Lightning then started to take control of the game in the second period and using a full bench wore down the Racers and scored another three unanswered goals through Gary Clarke, Nick Poole and Greg Owen.

The Lightning controlled the third period and another two goals from Gary Clarke stretched the Lightning's lead to 8-3. Even though Haringey scored a consolation goal the game was well and truly won, rounding off another 4 point weekend and securing the leagues top spot for another week.

A tribute to the Lightning was that they used all their players and a solid performance from Allen Sutton in goal, was supported with great contributions from young Mark Conway, Kieron Goody, Paul Gore, Rich Munnely and Paul Jamieson. Nick Poole was satisfied with the team's performance and said that the team, although not firing on all cylinders, we are still winning and it can only get better. He was pleased with the team's resilience to come through several tough patches of play and was keen to point to the efforts of his younger players. Simon Howard who was again on the bench said, "It is never easy coming to smaller rinks, to play against teams who don't have a lot of structure to their game.

At the end of the day it's two points and with every game we will get stronger. Everyone wants to beat the Lightning."

Supporters Club Committee for this year are: Pat Corrigan, Debbie Marshall, Allyson Jones, Melanie Chandler, Roy Warlow and Simon Hunter. Any time you wish to contact us you may do so at the Supporters Club stand, we are always available to you.

SHIRT OFF HIS BACK. Tickets are available from our seller going around the rink, or at the Club stand. The draw will be made after the second interval by a young fan and presented by the player at the conclusion of the match. The whole of the income from this draw goes directly to the team so your contribution is very important. Congratulations to last week's winner who was Tina Marshall.

50 / 50 DRAW. The sellers will be at the top of the concourse, and in the reception area before the game starts. They will be around the rink and also at the Club stand during the match. A young fan will be asked to make the draw at the beginning of the third period and the winner should come to the stand to collect their prize. 50% of the take goes in prize money and 50% goes to the club.

TEAM AUTOGRAPHS. The two players will be available at the entrance to the team dressing room for a short period after the match and free official autograph cards are available at the Club stand.

MERCHANDISE MALL. Due to the unbelievable interest in the Lightning shirts we have very few left to offer you, only XL Home shirts at present.
