From The Bench....

Hello to all as we get ready for another rumble in the 'Thunderdome'.

Tonight's match sees us taking on the Chelmsford Chieftains in a rematch of the thrilling 9-8 victory we had in the second week of the season. It should be another nail-biter as both teams have been very successful in the early part of the season and both will be looking to win some silverware at the season's close.

It has been a hard week in practice as we were very disappointed in the outcome last Sunday down in Slough. Although I felt the effort was there and we could have won had been a little luckier around the goal, we must start getting results when we go on the road. This weekend it is crucial that we have a 'four pointer', as we must keep ground with other top teams.

I would ask that all you fans at the 'Thunderdome' give a warm welcome to the children from Fernwood school as they take to the ice in between periods. Fernwood are part of the Ice Hockey for Schools program that has been initiated here in Milton Keynes. It is the first program of its kind and I am very proud to be part of it. It has been a lot of fun to watch these children develop new skills in a sport that they would otherwise never get to play. You never know these could be the Lightning players of tomorrow.

Once again thanks for coming, make some noise, and enjoy the game.
See you upstairs in the bar afterwards.

THE ARENA

Game Officials

The referee controls the game. He calls all the penalties and must decide the legality of goals, though sometimes he will call time and ask his linesmen for an opinion before he makes the final decision. The duty of the linesmen is to determine offside and icing. They drop the puck for face offs. They chase the puck after stoppage of play.

Object of the Game

The object is to score goals by putting the puck in the other team's goal whilst making sure that the other team don't do the same to you. Players can hit it in with a stick or deflect it off another player including the goalie.

Rules of the Game

There are only **two** basic rules in ice hockey:

Off Side: When an attacking player crosses the defending team's blue line before the puck he is Off Side. Play is halted and a face-off is held on the nearest spot in the neutral zone.

Icing: If a defending player shoots the puck from his own half past the opposing team's goal line and the puck is next touched by an opposing player, icing is called. Play is halted and the puck is returned to the place where the pass originated.

Duration

The senior game consists of three periods of twenty minutes each. The clock stops with the action.

Scoring

A goal is legal if all of the puck crosses all of the goal-line.

EXCEPTIONS ARE:-

It's not legal however if there is an attacking player in the goal crease who is currently not held by a defender whilst his team mates score.

It is legal to score by kicking providing the puck is deflected off a defenders stick before entering the goal.

No more than two assists can be credited on any goal and these go to the players who handle the puck immediately preceding the goal.

entering the Thunderdome tonight Chelmsford Chieftains

Chelmsford return to the Thunderdome for their *second* visit of the season.

So far, the Chieftains have been the surprise team of the opening weeks of this campaign. They have only been defeated once, and that was here on the *second* weekend of the season. On that occasion, Lightning edged the game by the odd goal in seventeen!!

Chelmsford have a good blend of youth and experience on their roster, supporting imports, Kyle Amyotte, Andrew Power, and Andy Hannah. These three lead the way in the team stats, and are pushing the leagues top points scorers.

Others to Watch;

Jon Beckett #74 – Forward – British

An experienced british forward who often pops up in the right place at the right time, last season notched up 11+11=22 points, and has already collected 7+5=12 points from the teams 8 games.

Richard Tomalin #5 Defence – British

A defenceman, who is never afraid to get involved, yet has the skills to put points on the board. Back playing after injury last season, having moved to the Chiefs from Romford.

Daniel Cabby #4 – Forward – British

Moved from Romford to the Chiefs for this season, and has backed up the teams import forwards with 8+11 from 8 games already this season. Last seasons stats (GP) 37 17+28=45 28 PIMs

Chris Douglas #49 – Netminder – British

Douglas has carried last season's form with impressive stats, in to this season. He currently has a 90.53% save average with 3.39GAAv, and has kept his team in touch with some solid performances between the pipes.

Junior News

u12 Southern A League - Saturday 5th October

Milton Keynes vs. Slough Hurricanes

Milton Keynes were handed a stark defensive lesson by a well-disciplined Slough side. Despite dominating possession throughout the match, and outshooting the eventual winners by 16-11, Milton Keynes were unable to find the back of the net. Slough consistently protected their outstanding netminder in numbers, and were happy to soak up Milton Keynes pressure with increasing ease, allowing swift breakaways as their only form of attack.

The match started with great promise, with quick handling and skating by Cox, Trivett & Peussa in particular looking certain to crack the Slough defense. Only exceptional work by netminder West kept Slough in the game. As the period progressed MK advanced in waves, confident of extending their 100% start to the season, and Slough hung on grimly. It seemed that one MK goal would be the key to several more, and MK poured men over the blue line in a bid to break the deadlock. Eventually this commitment to attack was their undoing, and Slough scored a breakaway first goal on 15:40. Undaunted MK threw themselves back at the Slough crease, but as the half-time buzzer sounded, Slough held a surprise 0-1 lead.

The second period started in much the same fashion, as did Slough's second goal at 23:45, another simple breakaway. MK responded with good heart and continued to dominate possession, but Slough's defense continually smothered every offensive move on goal. As the minutes ticked away, frustration set in and MK's passing game was abandoned for increasingly unlikely solo efforts on goal. When Slough scored their third, a powerplay at 38:53 (and the only penalty of the entire match), the game was already lost.

After the drama of Swindon a fortnight ago, this was undoubtedly a frustrating afternoon, but this is a highly competitive league, and there will be few easy games. One thing for certain is that this is a team of exceptional spirit and self-belief. As long as they learn essential lessons from games like this, another highly successful season awaits them.

Milton Keynes Falcons (3) vs. Oxford City Zodiaks (1)

Period Scores 2-0, 1-0, 0-1

SoG Milton Keynes 16 Oxford City 16

'MoM' Nat Bullen

The Falcons started off well with a goal by Nat Bullen at 4:10 and then a second shortly after by Jo Wingate, at 5:31 after some great stick handling. But this was never going to be an easy game, with end to end action. The second period was just as close with the Falcons going further ahead at 26:06 from Nat Bullen with a her second goal of the evening.

Oxford came out for the third period with determination with Alex Barrow in the Falcons net having to make some great 1 on 1 saves. Oxford finally found the net after some constant pressure at 39:42. With Oxford pressing hard they conceded 3 penalties during the third period, but the Falcons were unable to take advantage of the powerplays to find the net.

Although both teams were only icing 2 lines they battled on right on up to the final buzzer.

Another great performance to make it 3 wins from 3 games.

Lightning v Dynamos Saturday 5th October

Clarke 3+0, Owen 2+1, Poole 0+3, Krater 2+0, Knights, Wooderson & Campbell 0+2, Conway 1+0, Newman & Skinnari 0+1
 Nets: Hollyhead 18/1 (94.44%)

..... ten-minute storm devastates the Mighty Mo's

Dynamos were caught under an avalanche of shots, from the first drop of the puck, as Milton Keynes set up camp in the Mo's zone. With the game just two minutes old, a Greg Owen strike, assisted by Michael Knights got Lightning off to a flying start. MK's second goal came just under a minute later through Gary Clarke, assisted by Nick Poole.

Whilst the shots continued thick and fast on Dynamos net, the referee became the victim of the biggest hit of the night, after an accidental collision with Peter Korff.

Thankfully, the referee was soon back on his feet and the game restarted. This stoppage was not enough to put MK off their game, Gary Clarke scored again at 04:59, with Nick Poole and Mikko Skinnari bagging the assists. Fourteen seconds later and Clarke completed his hat-trick, this time assisted by Poole and Newman. Lightning's fifth came at 06:11, as Mark Krater fired the puck home, assisted by Campbell and Wooderson.

Looking at the wrong end of 5-0 scoreline inside seven minutes, Dynamos coach Greenhouse called a timeout, to try to regain some composure.

MK continued to rain shots on van der Velden, with the sixth goal coming at 09:49, again from Mark Krater, assisted once more by Dean Campbell and Phil Wooderson.

At 13:39, Duane Ward combined with Jake French and Paul Hume to score Invicta's only goal of the night. The game then continued in the same vein, with a barrage of shots coming from the Lightning. 17:41 saw the first penalties of the night, following a brief melee, both Wales and Knights sat two minutes each, for slashing and roughing respectively. At 18:20 Invicta lost the services of Duane Ward for a check from behind on Simon Howard.

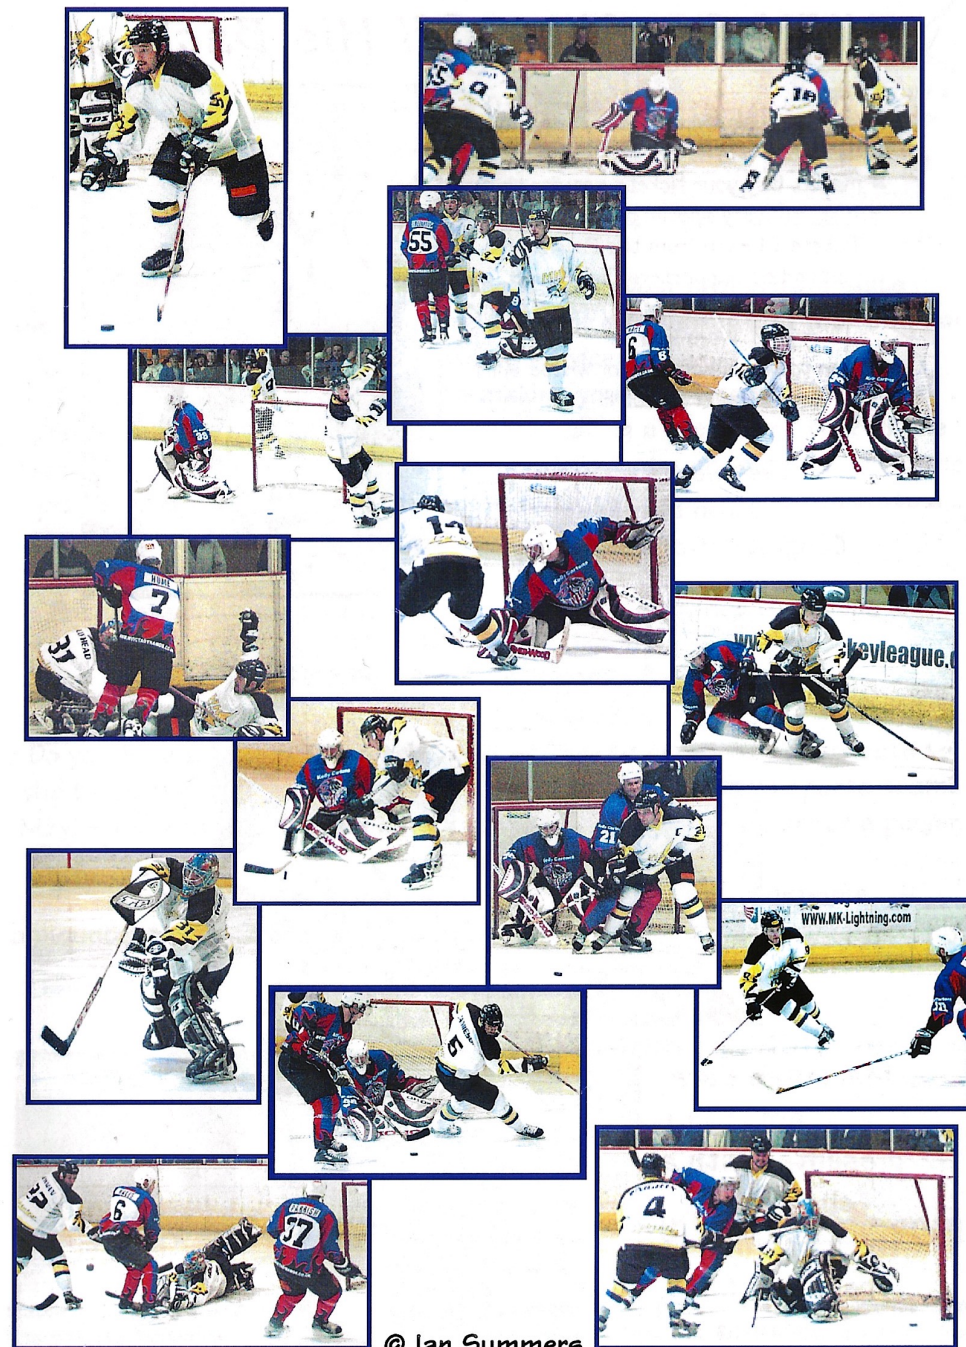

Lightning eased to the first break, leading 6-1.

The second period saw Invicta without the services of Matt Beveridge, through a back injury, reducing their bench further. The game looked a little more even, as Invicta rallied together to trying to limit the damage. At 23:52 MK added their seventh, with Mark Conway scoring his first senior goal, assisted by Greg Owen and Michael Knights.

Invicta tried to fight back with shots coming from Wales and French, but Holyhead was equal to their efforts. Both sides had further opportunities, but Mo's Ward came the closest, before the second period ended with Lightning extending their advantage to 7-1.

With the result settled, both sides gave more ice time to their youngster players.

The period passed without major incident until 52:00, when Sean Clement was called for holding the opponents stick. The resulting powerplay saw Owen score unassisted at 53:48, and this was the last goal of the night.

Lightning shot down by Jets.....

A top of the table clash saw the Lightning take their impressive record to face Slough, who themselves came into the game on a 5 game winning streak. An early interference penalty to Norman Pinnington, enabled the Lightning take the lead when Nick Poole found the back of the net at 05:19. Although this was the only goal of the period, the remainder was not without action, as both teams came close to scoring.

Six minutes into the second period, Slough were back on level terms through Matt Sirman, assisted by Dave Heath and Norman Pinnington. Right at the end of the 26th minute an incident broke out which saw Matt Foord miss most of the remainder of the period, receiving 2+10 for checking from behind and also Geoff O'Hara receive 2 minutes for cross checking and a further 2 minutes for roughing. Slough converted the powerplay with a skilful goal from Pinnington at 27:14, but their lead lasted only two minutes before Gary Clarke scored on a Milton Keynes powerplay. Sirman's second at 33:16 put Slough back in front, before a four minute powerplay conceded by Milton Keynes proved too much to nullify. Sirman completed his hat-trick during the second half of the powerplay at 38:35, to give Slough a commanding 4-2 lead.

The third period saw some excellent hockey played, as the Lightning pushed hard to equalise. Lightning kept their hopes alive with a Greg Owen goal at 50:04 to pull the deficit back to one goal, before defending two penalties well. Barry Hollyhead left the net at 59:30, but Slough defended the 30 seconds of 6 on 5 and took full points. Coach Nick Poole later stated his disappointment in the result, but was pleased by the improvement in commitment. "Had we have put away a few more of our chances early on, the game could have been over within 20 minutes, but it shows just how challenging the ENPL will be this year". Nick also went on to commend netminder Barry Hollyhead, after a thoroughly solid weekend.

Milton Keynes Ice Hockey Supporters Club News

A very warm welcome is extended to the Chelmsford Chieftains and their travelling fans. Enjoy the match and we wish you a safe journey home afterwards. Children under the age of 16 are not allowed to remain in the Licensed bar after 9.30pm. The family room is available after that time, access is through the door leading into A block. All children under the age of 12 must be supervised by an adult please.

Supporters Club Committee for this year are: Pat Corrigan, Debbie Marshall, Allyson Jones, Melanie Chandler, Roy Warlow and Simon Hunter. Any time you wish to contact us you may do so at the Supporters Club stand, we are always available to you.

SHIRT OFF HIS BACK. Tickets are available from our seller going around the rink, or at the Club stand. The draw will be made after the second interval by a young fan and presented by the player at the conclusion of the match. The whole of the income from this draw goes directly to the team so your contribution is very important. Last weeks Winner was Lynn Burness, her son Jevon was presented with the shirt by Mikko, thank you for your support.

50 / 50 DRAW. The sellers will be at the top of the concourse, and in the reception area before the game starts. They will be around the rink and also at the Club stand during the match. A young fan will be asked to make the draw at the beginning of the third period and the winner should come to the stand to collect their prize. 50% of the take goes in prize money and 50% goes to the club to support the team. Last weeks winner collected £105.00 It keeps going up, let's try to reach £125 this week.

SUPPORTERS CLUB MEMBERSHIP. If you have not already done so, collect your membership card and personalised LIGHTNING key ring from the club stand tonight. Those of you who are waiting for your key rings, they are now in. There are many benefits to joining, priority entry to all social events, special rates to travel on the coach, discounts on some of the merchandise, 5% discount on your LIGHTNING shirt, and special social events with the players and management.

SOCIAL SCENE. A bowling evening will be held at Xscape in November, Dr Phil's Quiz night on 22nd December, and the Christmas / New Year Party on Monday 30th December to round the year off.

BUS BUSINESS. There is no coach to Telford this week due to a lack of numbers. We are taking a coach to the Isle of Wight on Sunday 27th October, departing at 11.30am so come and put your names down today. The cost will be around £25.00 each which includes the travel to and from MK, the ferry crossing and coach to the rink on the Island. We can also arrange tickets if required. We are now taking names etc for the weekend trip to the Isle of Wight on 4th January when we shall be staying over and coming back on Sunday. There are 33 seats booked already so to avoid disappointment come and book your place now. The hotel is booked for bed and breakfast, and is just 5 minutes walk from the rink. Accurate costs will be available early next month but should be well within our original estimate of £75.00 - £80.00 per Supporters Club member. The cost to non members will be approximately £10.00 extra. This is based on 40 seats being taken and estimating the cost of the ferry. If we have more bookings then the cost will go down on a pro rata basis. It includes bed and breakfast, travel from MK to Isle of Wight and return to MK, and match ticket at the IOW. We can arrange for match night tickets for the Sunday game at Planet Ice CMK if you so wish but must have numbers before Christmas.

PLAYER OF THE MONTH TROPHY. The Supporters Club trophy will be voted on each month by members and the presentation will be made at the first home game of the following month. Once again the sponsor of these beautiful and individual trophies is RCM Partitions - Bob & Debbie Marshall. Bob and Debbie are long time supporters of Hockey in MK and our thanks go to them for their sponsorship. The result for September was really close, there being only one point separating the top three Gary Clarke and Greg Owen were the two runners up and a very well deserved winner was player/coach Nick Poole. Congratulations to them all. The forms for October will be available from 19th October.

MERCHANDISE MALL. Everyone who has shirts ordered during September should be ready for collection on 26th October. Orders taken in August are now ready for collection, so please come to the Club stand ASAP. As we only order once a month, if you need any in time for Christmas they will have to be placed by the end of October. Place your order early for Christmas to avoid disappointment. We will have Lightning socks available shortly, but they are limited in number.
